Subject: License renewal for BioWorld BHT

Dear Mr. Damschen:

Thank you for your interest in renewing the license for the product "BioWorld BHT." We received and reviewed the renewal information submitted and it meets the regulatory requirements. Enclosed is your license for the Oil Spill Cleanup Agent "BioWorld BHT." Unless revoked for good cause, this license is valid until April 7, 2029.

Please be aware that licensing of a product as an oil spill clean-up agent by the Office of Spill Prevention and Response in no way constitutes an endorsement by the State of California nor necessitates that the product will be used at the time of a spill. Please be advised that the appropriateness of product use will be assessed on a case-by-case basis at the time oil is released into the waters of the State and is contingent upon approval by the Administrator of the Office of Spill Prevention and Response and the Federal Regional Response Team, Region IX.

Should you have any questions or need any additional information regarding the licensing of your product, please contact Ms. Annie Nelson of my staff at her office phone number (916) 202-1656 or by email at annie.nelson@wildlife.ca.gov.

Sincerely,
